My mummy is as fun as a kid,
She likes to play with me,
I love her.
So,so,so ,
much.

Madeline loves to,
Squeak,
squeak,squeak.
Like a mouse,
She is very crazy,

George he loves to be sooky,
Cuddley,
Screaming as loud as a...

Dinosaur roaring ,
roar,roar
And I love them all.
Even though they can be annoying,
And when they have tantrums they get in,
trouble.

Cadell is 17 years old,

He can be funny in an annoying way,

Also in his words.

He lives,

With his Nan in another house,

And works as an electrician.

Jaida,

Jaida is as lazy,

As couch potato,

But more like a bed potato,

That doesn't do anything,

Apart from talk to her friends.

My dad Nathan
By Harrison

**My dad is a hard worker
Who works up north on farm .
He can be as busy as a bee.**

My Dad is kind as kind as a of sun light.

**But sometimes,
He can be annoying
Annoying like a rock in your shoe, that you can't shake out.**

**My Dad is loud
He is as loud as a truck horn. BEEEEEEEEEP.
He is so loud when he yells at the cows “ oi oi oi”!**

Lily

By Lane

Lily is annoying
She yells
In my ear
Scream, scream, scream
It is as
Loud as fireworks.

Lily sometimes
Plays Roblox
With me.
We play
Steal a brain rot
99 nights in the forest
And
Grow a garden.

Even though
She
Drives me crazy
I still love her.

My Brother Angus
By Jack

My brother Angus,
Is a bit of a goose,
I think I've even heard him go-
"Honk, honk"-

He bought a motor bike,
And is thinking about buying a food trailer.
My Angus is a bit of a cactus blanket,
A bit spiky at times but soft and cuddly at the same time.

He is also a bit of a bed lover (I'm the same),
Never wanting to get out of bed.

My little Luna is the fattest and cutest dog on earth,
She's a bundle of joy and laziness,
I bet she's the softest dog on earth as well.

My Dad
By Ella

My dad is really, really cringe ,
as cringe as my teacher.

He is a hard worker and mum annoyer,
He is
The funniest
man I ever met.

He is really annoying,
Like a toddler on,
a sugar rush!

He is really funny and crazy,
He is out of his mind
Crazy!
Like a monkey on,
a go cart.

We have a dog named
Rubbles but dad,
call's him rub a
dub ,dub into,
the tub!
The cat never has his,
tongue!

He might not be,
25,
but he acts like it,
It's true!

He might not be famous,
but he's famous to me!
He is really energetic,
but on the quad bike,
he is pro!

He might be,
messy and annoying,
but he's my dad,
and I love him.
